A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

The North Westwood NC calls on Councilmembers de León, and Cedillo to immediately resign from the Los Angeles City Council. As widely reported by the [LA Times](#) and [Knock LA](#), these councilmembers along with former Councilmember Martinez engaged in an abhorrent conversation that disparaged and disrespected Councilmember Mike Bonin and his family, other City Councilmembers, the Black community, the redistricting process, and Angelenos everywhere. These councilmembers should take ownership of their vile and inexcusable actions and immediately resign. While resignation will not begin to repair the damage that has been done to our City, it is the first step in showing true accountability and remorse. Los Angeles cannot begin to heal while these members remain in power.

In the event these councilmembers fail to see the urgency of the need for their resignations, the City Council itself has a duty to act. The City Council must agendize a censure of Councilmembers de León and Cedillo, if they fail to resign. Neighborhood Council leaders expect a unanimous vote on these censures. Anything less is tantamount to an endorsement of anti-Black racism, anti-Indigieous racism, anti-Semetism, anti-Armenian racism, anti-Asian racism, homophobia, violence against children, classism, gerrymandering, and power brokering in backroom deals.

Make no mistake. The current situation is not merely a matter of some errant words spoken in frustration and taken out of context. Instead, the portions of the recording already released are evidence of intentional violation of the law during the redistricting process. Specifically, Section 5 of the Voting Rights Acts requires that redistricting changes can be proven to not have a discriminatory purpose or effect. In the recording released and commented on by the LA Times, we see clear evidence of an overt discriminatory purpose in redistricting proposals which were subsequently adopted. This opens up the city to liability and makes urgent the need for a truly

independent redistricting commission. We also believe that the City Council desperately needs expansion. We are the most underrepresented City Council in the entire nation with a constituent to representative ratio of 260,000 to 1. This concentration of power in too few hands drives the favor-brokering and horse trading on display. Angelenos desperately need diverse representative government, not those who cling to racism in justification for their policymaking.

Neighborhood Councilmembers once again call attention to the unusual circumstances in Council District 10. The choice by CM Nury Martinez to appoint Herb Wesson, who was clearly barred from holding the seat by the City charter, exposed the City to liability and disenfranchised the residents of Council District 10 - all in pursuit of her own power. When community members and Councilmembers called out the swift appointment of Heather Hutt as a backroom deal or puzzling they were accused by CM Martinez of not wanting to see a Black woman in power. We know now that this appointment was the result of power brokering whose purpose was to benefit CM Martinez, not the stakeholders of Council District 10. That CM Martinez would wield identity politics to create divisive chaos in Council District 10 to hide her backroom deals is fiducially, morally, and ethically reprehensible. This is not the leadership that Angelenos deserve.

The behavior evidenced by Nury Martinez, Kevin de León, and Gil Cedillo would never be tolerated at the Neighborhood Council level. Neighborhood Council members are required to both adhere to a Code Conduct and take Anti Bias training as part of our service. We believe the City Councilmembers should lead with their behavior rather than becoming a national mockery. The rules around our decorum and training are clear. Equally clear is the double standard that exists for members of the City Council. Were Neighborhood Council members to behave in a similar manner, we would face censure, removal and dismissal by our own board, the Department of Neighborhood Empowerment and the Board of Neighborhood Commissioners. Indeed, elected officials have been removed from Neighborhood Councils for far less egregious violations than what we are sickened to have listened to here.

The North Westwood Neighborhood Council also believes that many of these conversations may also be evidence of violations of the Brown Act. Both redistricting and the Council District 10 appointment were matters that were agendaized in Council, but it is clear that these decisions were being made prior to open and observable Council meetings. Given that it has been reported that there is over an hour of disgusting rhetoric, Neighborhood Councils therefore wonder what other topics may have been discussed not only that day, but in any other secret meetings.

In 2022, we don't expect to hear explicit recordings of literal, systemic racism, recordings of the leaders of City Hall participating in racist, anti-Black rhetoric while discussing gerrymandering on the basis of race and socioeconomic status and backroom deals to keep themselves in power.

To Councilpersons de León and Cedillo, resign immediately so the city can begin healing.

To Councilpersons O'Farrell, Krekorian, Blumenfeld, Raman, Koretz, Rodriguez, Harris-Dawson, Price, Hutt, Bonin, Lee, and Buscaino we call on you to immediately agendaize a censure motion for Councilpersons de León and Cedillo.
