SUMMARY

The Los Angeles Police Department (LAPD) is seeking retroactive approval to apply for and accept a \$128,234.95 grant award for the 2022 Bulletproof Vest Partnership (BVP) from the United States Department of Justice, Bureau of Justice Assistance. The grant award has a performance period of April 1, 2022 through August 31, 2024. This grant has a 50-percent match requirement, which will be fulfilled through the Department's Uniforms Account.

The BVP Program was created by the Bulletproof Partnership Grant Act of 1998 to provide funding for body armor to state and local law enforcement. Requirements for the BVP grant includes providing matching funds of at least 50-percent; having a written mandatory wear policy for uniformed patrol officers; and, ensuring that bulletproof vests purchased with BVP grant funds comply with the National Institute of Justice Body Armor Standard.

Acceptance of the Fiscal Year 2022 BVP grant will replace approximately 356 bulletproof vests. The Department reports that the 50-percent match requirement will be met through funding that is budgeted in its Uniforms Account. This is the 17th year that the LAPD has been a recipient of the BVP grant and has received a total of approximately \$3.5 million in grant funding from the program.
