Summary: CIS for Council File 22-1297 Position: Support To: City Council and Committees The Palms Neighborhood Council supports Council File 22-1297. Within our neighborhood, we have poor access for people who require access ramps to support their mobility. The additional \$3,111,362 in funds to accelerate the installation of access ramps represents 7.58% of the \$41,620,156 dollars allocated to the Street Damage Restoration Fee Fund in the 2022-2023 fiscal year budget. We think this is a reasonable trade-off to assist our neighbors who would benefit from the installation of more access ramps.
