Comments for Public Posting: Hello - Before the encampment, I was able to walk my kids to the park. Now, I have to drive which is so unnecessary and contribute to climate change. Also, we don't get to interactive with our neighbors during our walk. It is very sad. Regards, Michael Gambino

Comments for Public Posting: I would like to request that Poinsettia Park and the 500 feet surrounding the DWP building on 911 Formosa Ave be designated a no camp zone per ordinance 41:18. I have a 3.5 girl and a newborn son and want this area to be cleaned up and safe for our family and community.
