Comments for Public Posting: I am submitting a public comment to this Council File 22-4118-S14. I am extremely concerned about the recent and prolonged criminal activity brought upon the residents of the surrounding community by inhabitants of the 1270 Alfred Street Preuss Post Office station and the multiple encampments housed there. This post office has seen an increase in criminal activity in the past year including, drugs, arson, physical assaults of residents and a US Postal Worker, theft, illegal bike chop shop and other criminal behavior. Members of the community has been unjustly intimidated and harassed by the rampant criminal activity including lude and indecent exposure, nudity and defecation on public right of ways- all while elderly who pass to attend the Adult Daycare center and families with young children who attend worship at the surrounding churches and synagogues in the area are affected. We respectfully request the City Council vote to designate the 1270 Alfred Street Preuss Post Office located in South Carthay under 41.18 protection given the continued increase in crime and safety. Without it, the community will continue to experiences a loss of safety, security and quality of life.

Comments for Public Posting: Dear City Council.....All Post Offices that the public visit should be off limits to the homeless & their encampments, but esp. the one at 1200 Alfred that is experiencing a large amount of crime. Aggressive panhandling, lewd exposure, loud & drug/alcohol high persons, trash, defecation & assault are just some of the problems encountered by the community. Our quality of life is being endangered to let this go on. Why does the neighborhood association have to pay for 24/7 security at this Post Office? One of the main jobs of the city, & its elected leaders is to protect its tax paying citizens & to solve problem areas like this.

Comments for Public Posting: I represent the Park La Brea Impacted Residents Group (PLBIRG) and am writing in support and solidarity with the South Carthay community seeking protective status for the Alfred Street Preuss post office under Ordinance 41.18. The surrounding community has been subjected to relentless acts of intimidation, harassment and assaults, in addition to flagrant criminal activity, associated with encampments. This resulted in a residents association having to fund security measures to protect the elderly and the families with small children in the public right of way. I respectfully ask the City Council to designate the 1270 Alfred Street Preuss Post Office a protected site under 41.18 so that that police department resources may be deployed if the dangerous activity resumes.
