Summary: WHEREAS, CF23-0002-S17 supports more access to the NC process for Angelenos, with far more members of the public participating in each meeting from the convenience of their own homes and workplaces, while commuting and fulfilling caregiver obligations. Our and other NCs benefit from participants who find themselves outside the boundaries of their NC, creating more equity and fostering the vitality of our local communities and democracy; & WHEREAS, the 99 NCs in LA each have unique communities, needs, technology abilities, access to public meeting spaces; & WHEREAS, in-person meetings may jeopardize the health and safety of vulnerable Angelenos due to ongoing exposure to COVID-19 and other personal health situations; & WHEREAS, it is not realistic or financially viable to expect the all- volunteer NC system to be able to carry out "hybrid" meetings as permitted under AB 2449 effectively due to the limitations imposed on the NC Board as a whole, such as a requirement to establish a quorum in person in a publicly accessible ADA compliant facility within the boundaries of the NC when no such venue may be available to the NC. Likewise, imposing impractical, if not impossible, standards for individual NC Board members, such as not recognizing travel for "business" as an acceptable reason to participate remotely or the requirements to be on camera and only miss two in-person meetings annually (Should those requirements disqualify a businessperson or breastfeeding mother from serving on an NC Board?) in addition to budget and technology limitations; & WHEREAS, how the Brown Act applies to the broader City Boards & Commissions remains to be looked at by our NC, & we currently approve the resolution, we reserve the right to make further comment on C 23-0002-S17 and how it affects in-person and virtual meetings of City Boards and Commissions other than NC; & THEREFORE, the WHWCNC SUPPORTS the City Council action & the Mayor's concurrence in CF23-0002-S17.

### **Council File 23-0002-S17 (Local Legislative Bodies / Virtual Meetings / Ralph M. Brown Act Amendment)**

WHEREAS, Council File 23-0002-S17 supports more access to the Neighborhood Council process for Angelenos, with far more members of the public participating in each meeting from the convenience of their own homes and workplaces, while commuting and fulfilling caregiver obligations. Our and other NCs benefit from participants who find themselves outside the boundaries of their NC, ranging from a few miles to temporary travel out-of-state and even out of the country, creating more equity and fostering the vitality of our local communities and democracy; and

WHEREAS, in-person meetings may jeopardize the health and safety of vulnerable Angelenos due to ongoing exposure to COVID-19 and other personal health situations, such as being immunocompromised; and

WHEREAS, it is not realistic or financially viable to expect the all-volunteer Neighborhood Council system to be able to carry out "hybrid" meetings as permitted under AB 2449 effectively due to the limitations imposed on the NC Board as a whole, such as a requirement to establish a quorum in person in a publicly accessible ADA compliant facility within the boundaries of the NC when no such venue may be available to the NC. Likewise, imposing impractical, if not impossible, standards for individual NC board members, such as not recognizing travel for "business" as an acceptable reason to participate remotely or the requirements to be on camera and only miss two in-person meetings annually (Should those requirements disqualify a businessperson or breastfeeding mother from serving on an NC Board?) in addition to budget and technology limitations; and

WHEREAS, how the Brown Act applies to the broader City Boards and Commissions remains to be looked at by our Neighborhood Council, and while we currently approve the resolution, we reserve the right to make further comment on Council File 23-0002-S17 and how it affects in-person and virtual meetings of City Boards and Commissions other than Neighborhood Councils; and

THEREFORE, the Woodland Hills Warner Center Neighborhood Council SUPPORTS the City Council action and the Mayor's concurrence in Council File 23-0002-S17.
