Summary: The Board of the Studio City Neighborhood Council (SCNC) opposes Council File 23-0002-S26, a Resolution opposing Senate Bill (SB) 52 (Durazo) to require large cities in California to have independent commissions for the drawing of City Council districts. This would bring districting practices in these cities in accord with State policy, as reflected in California's use of independent districting commissions for both the California legislature and the seats in the United State House of Representatives.
