Summary: The Board of the Studio City Neighborhood Council (SCNC) supports Council President Paul Krekorian's proposal to have a 13-member Ventura-Cahuenga Corridor Specific Plan (VCCSP) Review Board consisting of 1 mayoral appointee, 1 from each of the 6 communities appointed by the councilmember(s) of each community, AND 1 from each of the 6 communities appointed by the Neighborhood Councils of each of the 6 communities. If any of the 6 communities is represented by more than 1 councilmember, the multiple councilmembers of that community shall jointly choose that community's councilmember appointee regardless of where the VCCSP boundaries fall in that community. The above insures that even if the whole VCCSP was in the same Council District, (and that's not an impossibility in 2031 or any other decennial census redistricting year, given that CD4 is currently over 17 miles long), that the single councilmember could still only appoint 6 out of 13 members. Without the above, a single Councilmember could appoint 12 out of 13 members (a majority). If there were a 7-member VCCSP Review Board without Neighborhood Council appointees, that same councilmember could appoint 6 out of 7 members (also a majority).
