A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enable by the to Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or rResolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website.Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Councils rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

RE: CF 23-0002-S81: SB 14 (Grove)/Human Trafficking of a Minor/Serious Felony/Penal Code

Empowerment Congress West Area NDC (ECWA) supports council file CF 23-0002-S81 which states that the City of Los Angeles includes in its 2023-24 State Legislative Program support for SB 14 (Grove) which would include human trafficking of a minor within the definition of a serious felony under the Penal Code, including for purposes of the Three Strikes Law.

- California consistently ranks number one in the nation in the number of human trafficking cases reported to the National Human Trafficking Hotline
- Human trafficking is among the world's fastest growing criminal enterprises, and it profits from the exploitation of vulnerable populations including minors

SB 14 would strengthen prevention and give a voice to the millions of victims that have suffered from the abuses of human trafficking.

ECWA thanks City Council for your attention to this matter and we appreciate your commitment to strengthening our community.

In Solidarity,

Empowerment Congress West Area Neighborhood Development Council (ECWA)
