WHEREAS, the Board has determined that this contract is for the performance of professional, scientific, expert, technical or other special services, and that the use of competitive bidding would be undesirable, impractical or impossible; and,

WHEREAS, Consultant represents that it has the knowledge and expertise to provide such Services; and

NOW THEREFORE, that for and in consideration of the covenants and conditions hereinafter contained to be kept and performed by the respective parties, IT IS AGREED AS FOLLOWS:

Section 1.0 Term of Contract.

1.1 The term of this Contract shall be for the period of three years commencing on _____, 2022 and expiring on _____, 2025 with two one year options to extend. LAWA may terminate this Contract upon giving Contractor a thirty (30) day advance written notice or as provided elsewhere in the Contract.

1.2 Performance, or continued performance, of this Contract by the Consultant will be wholly contingent upon annual approval of funding for this Contract by the Board. If such funding is not approved, this Contract will immediately terminate and shall present no further obligations for the City, the Board, LAWA, LAWA’s Chief Executive Officer (“**CEO**”) and the Consultant. Further, termination of this Contract based upon this contingency shall present no liability for the City, the Board, LAWA, the CEO, or the Consultant for breach of this Contract.

Section 2.0 Incorporation by Reference.

2.1 It is expressly understood and agreed that the following shall constitute, and are hereby incorporated by this reference, and made a material part of this Contract as though fully set forth herein: (i) the exhibits attached hereto, including but not limited to the Scope of Work, **Exhibit A**, and Consultant's Fee Schedule/Cost, **Exhibit A-1**, and (ii) the Cost Reimbursable Guidelines, **Exhibit B**, attached hereto.

Section 3.0 Warranty and Quality of Consultant's Services.

3.1 Consultant warrants that the services provided herein shall conform to high professional standards and shall be completed in a manner consistent with professional standards practiced among those firms within Consultant's profession, doing the same or similar work under the same or similar circumstances.

3.2 If in City's sole discretion any of Consultant's subconsultants, agents or employees are not performing his/her duties under this contract to the satisfaction of the City, then City shall have the right to request that such subconsultant, agent or employee be removed from the project, and Consultant shall comply with such request and promptly assign a new subconsultant, agent or employee to replace the removed subconsultant, agent or employee within a reasonable time thereafter, but not longer than ten (10) business days. In no case shall the City's request to assign a new subconsultant, agent or employee result in Consultant terminating this Contract.

Section 4.0 Fees and Rates.

4.1 For all products and services rendered, all costs, direct or indirect, and all expenses incurred by Consultant pursuant to this Contract, City shall pay Consultant, (1) in accordance with pre-approved projects as detailed and budgeted in quarterly Task Orders and/or 2) on a direct reimbursable basis for actual time or actual costs incurred. Said all-inclusive hourly rates in Exhibit A-1 shall include without limitation, all provisions for compensation, fringe benefits, overhead, insurance, office supplies, communications, photocopying, reproduction, courier service, general administration, other overhead expenses, profits and fees, and usual and customary expenses associated with normal business operations, unless otherwise expressly provided in Exhibit A-1. City shall not pay any additional sums or supplemental rates of pay for "overtime" unless otherwise expressly provided for in Exhibit A-1. Consultant certifies that its rates in Exhibit A-1 are consistent with Generally Accepted Accounting Principles and OMB Circular No. A-122.

4.1.1 Upon the expiration of the first year of this Contract, provided that Consultant is not then in default beyond any applicable notice and cure period under this Contract, the rates as set forth in Exhibit A-1 may be increased annually up to three percent (3%) if, LAWA's CEO, acting within his or her legal authority, determines, in his or her sole discretion, that an adjustment is warranted due to an increase in Consultant's cost(s). In no event shall the total sum of all rate increases under this Section 4.1.1 exceed One Hundred Fifty Thousand and 00/100 Dollars (\$150,000).

4.2 Regardless of any other provision of this Contract, it is understood and agreed that the total contract amount to be paid by City to Consultant for all of Consultant's services shall not exceed \$2,250,000.

4.3 **Accounting Requirements.** Consultant shall create three project codes ("**LAWA Project Codes**") for each and every department incurring costs or performing work under the Contract ("**Accounting Department**"). The three LAWA Project Codes are: (i) Air Services Marketing, Education and Outreach, (ii) Air Service Marketing and Promotion of New Routes, and (c) International Trade Missions and Aviation Industry Events. The work that may be performed under each LAWA Project Code is described in the Scope of Work, Exhibit A. Every regional office with a Regional Director shall be a separate department, subject to this Section 4.3 in its entirety.

4.3.1 **Time Records and Task Order Completion.** All Consultant employees and sub-Consultants shall contemporaneously record the time they spend performing work under the Contract in hourly increments with a description of the work performed with sufficient particularity to allocate the costs associated with the time to a LAWA Project Code ("**Time Records**") and if applicable Task Order. At minimum, the Time Records shall include the following:

(a) a designation of the LAWA Project Code to which the work should be billed;

(b) a description of any collateral or documentation produced (e.g. presentation, advertisement, video, article, press release, etc.); and

(c) for time billed to Route Development and Marketing International Air Service, a description must include (1) the name of each airline Consultant is working with, (2) the current or prospective airline routes being developed or promoted, and (3) the name of the primary contact at each airline, and (4) for cooperative marketing with airlines, documentation of the airline's financial contribution (direct or in-kind).

4.3.2 **Program Costs.** Non-labor costs accrued by Consultant for payments to third parties ("**Program Costs**") shall be allocated to the appropriate Accounting Department and LAWA Project Code. The Consultant's accounting system shall contain a copy of the invoice and a description, in English, of the goods or services purchased sufficient to support allocation to one of the LAWA Project Codes.

4.3.3 **Shared Program Costs.** Program costs shared with Consultant's domestic marketing programs shall not be charged to LAWA under this Contract.

4.3.4 **Corporate Overhead Share.** Corporate overhead expenses shall not be separately charged to LAWA under this Contract.

4.3.5 **International Trade Mission Costs.** Costs allocated to the Contract for City of Los Angeles' international trade missions require LAWA's advance written approval. Consultant's invoice must include (i) a description of the trade mission, its contribution in promoting new or existing routes or airport facilities and services, and

projected costs (ii) describe LAWA's role and identify all LAWA staff members attending the trade mission, and (iii) a detailed accounting of the costs apportioned to LAWA. Consultant shall invoice LAWA for its authorized share of costs based on actual costs incurred.

4.4 **Invoices.** Consultant shall submit monthly invoices for work performed and actual costs incurred during the prior month consistent with the requirements of this Contract, and only for those services set forth in the Scope of Work, Exhibit A, and Task Orders pursuant to Section 6.1. Consultant shall attach to each invoice a status report specifying in detail the quantity and pricing of the services it has supplied to City during the period covered by the invoice which shall contain the following information:

- (a) Written summary of the work performed under each of the three LAWA Project Codes;
- (b) By accounting department and LAWA Project Code, the total costs billed pursuant to Section 4.1 and total Program Costs;
- (c) Time Records and descriptions of Program Costs; and
- (d) Electronic copies of all collateral documentation produced by Consultant.

Unless otherwise specifically directed by the CEO, Consultant shall submit all pertinent Time Records for itself, and for all Sub-Consultants, that relate to each of its submitted monthly invoice(s). Each Time Record must be signed by a duly authorized knowledgeable officer of that firm and must list all projects billed and provide a specific itemization of all hours charged for each task performed.

4.5 **Accompanying Verification.** All invoices submitted pursuant to this Contract shall be certified by a duly authorized and knowledgeable officer of Consultant in a statement containing the following:

“I certify, under penalty of perjury, under the laws of the State of California, that to the best of my knowledge and belief, the above bill/invoice is just, true, and correct according to the terms of this Contract, and that payment has not been received.”

4.6 City reserves the right to require additional substantiation of any payment request submitted if, in the opinion of the CEO or his/her designee (hereinafter collectively referred to as “CEO”), such would be in the best interest of City, including, but not limited to, invoice charges that are inconsistent with this Contract or that require additional supporting documentation. In order to verify charges incurred and invoiced by Consultant in the performance of this Contract, Consultant agrees to make pertinent books and records available to City's representative at LAWA's Office at LAWA's designated address upon fifteen (15) days notice. In the event Consultant does not make available to City the pertinent books and records within the aforesaid fifteen (15) days as set forth in this subsection, Consultant agrees to pay for all travel costs, housing, and other related expenses associated with the audit of said books, reports, accounts, and records by City at Consultant's place of records. City will not audit books, accounts, and/or records

relating to Consultant's overhead, general and administrative expenses and Consultant's profit. The aforesaid records shall not include any proprietary records of Consultant such as cost data.

4.7 **Overcharges in Invoices and Overpayments.** To the extent that an audit by LAWA, the City, City's independent auditors, Consultant, or their designees, discloses excess charges inaccurately or improperly invoiced to LAWA for Consultant's fees and rates, or for excess payments inaccurately or improperly billed to LAWA, Consultant agrees to remit the amount of overcharge or overpayment to LAWA upon demand. If such audit discloses an overcharge of two percent (2%) or more of the total amount invoiced to LAWA, for any year audited, and such audit is correct, Consultant shall pay the actual costs of such audit, which cost, in the case of audits conducted by LAWA, City's auditors, or City's in-house staff, shall be computed on the basis of two (2) times the direct payroll of the audit staff completing the audit and audit report. Should such audit disclose an underpayment to Consultant, LAWA shall promptly remit the amount of underpayment to Consultant.

4.8 City, the Federal Aviation Administration (FAA), the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records, of Consultant, and/or of Sub-Consultants, which are directly pertinent to this Contract, for the purpose of making audits, examinations, excerpts and transcriptions. Consultant shall maintain "records", including, but not limited to, books, documents, accounting procedures and practices, and other data, regardless of type and regardless of whether such items are in written form, in the form of computer data, or in any other form, sufficient to properly reflect all costs claimed to have been incurred under this Contract. Consultant shall make available to the City and to the Comptroller General, upon request and within a reasonable time, such records, materials and other evidence described herein for examination, audit or reproduction. Such records related to this Contract work shall be maintained and made available by Consultant for not less than six (6) years after final payment on, final termination settlement of, or final dispute resolution of, this Contract, whichever is later. Consultant shall include, in any and all Sub-Consultant agreements under this Contract that exceed One Hundred Thousand Dollars (\$100,000.00), a provision setting forth the record retention requirements specified in this paragraph.

4.9 Consultant shall comply with all applicable laws, rules, regulations, and shall hold all necessary consultations and conferences with personnel of any and all city, county, state, or federal agencies, as applicable, which may have jurisdiction over, or be concerned with, elements of the work to be performed by Consultant under this Contract.

4.10 Consultant acknowledges that Consultant shall be liable to City and LAWA for any payments made to Consultant under this Contract subsequently found by the Federal Aviation Administration ("FAA") to be noncompliant with 49 U.S.C. §§ 47107(b) and 47107 (l) (2) (B) or the Federal Aviation Administration's Airport Revenue Use Policy (64 Fed. Reg. 7696 (Feb. 16, 1999)). Consultant will return the full amount of any such noncompliant payment(s) within the time required by the FAA in any corrective action plan or other formal agreement with LAWA addressing the noncompliant payment(s).

4.11 City, upon receipt and following approval of each payment request, shall remit to Consultant, at the address specified in this Contract, the appropriate amount. Good faith efforts will be made to pay invoices within thirty (30) days of City's receipt thereof. If additional

documentation is necessary or any invoiced amounts are disputed by LAWA, LAWA shall notify Consultant, within thirty (30) days of receiving the invoice, that it is withholding payment for the disputed charge(s) until they are resolved to LAWA's reasonable satisfaction. All undisputed charges shall be paid within thirty (30) days of receipt of invoice.

4.12 City shall not make payments for work not yet performed nor for work deemed unsatisfactory by City. The parties agree that the CEO shall make the final determination as to when Consultant's services or any part thereof have been satisfactorily performed or completed to justify release of any given payment to Consultant under this Contract.

4.13 City is not obligated to pay for Consultant's time, mileage, or other expenses associated with travel unless specifically authorized by advance written notice through Task Orders from City. All travel must be in conformity with the Cost Reimbursable Guidelines, Exhibit B, and the Los Angeles Administrative Code Sections 4.220 through 4.242.8.

4.14 If a necessary change causes an increase in the scope of work or services to be performed or the Services to be supplied by Consultant pursuant to this Contract, then the parties hereto shall first agree upon additional compensation, if any, to be paid to Consultant therefore, and this Contract shall be amended, in writing, prior to the performance by Consultant of said increased work or service.

4.15 The prices offered for the purchase of Services under this agreement shall be as low as those currently charged the Consultant's most favored customers for comparable quantities under similar terms and conditions. If, at the time City places orders for Services, additional discounts are available to Consultant's other government and commercial customers based on volume guarantees, then, on condition that City requests Consultant's then current list of lowest available prices from Consultant, City will be offered the opportunity to purchase Services at such lower prices as those charged to Consultant's most favored customer based on comparable quantities and similar terms and conditions.

Section 5.0 Services to be Performed by Consultant.

5.1 **Scope of Work.** Consultant agrees to perform all Services in strict compliance with the Scope of Work, Exhibit A. All work shall be assigned in written Task Orders issued by City and as may be further described in this Contract including all documents incorporated herein or that may be referenced. Upon request by CEO, Consultant shall provide a complete detailed fee proposal(s) for each task, or phases within the task(s). The fee proposal shall include, but not be limited to, detailed scope of work, total fee, total number of hours, schedule, etc. Consultant shall secure an approved Task Order for each task and/or specific phases with the tasks, prior to performing the required Services.

5.2 **Incidental Work.** It is expressly understood and agreed that Consultant shall perform all work required to complete the Services as described by Task Orders, including work for which no specific proposal item(s) was/were included, and/or including work which is required to furnish final, finished and detailed Work consistent with and fulfilling the intent of the Contract. All such incidental work shall not be considered extra work for which additional compensation can be claimed by Consultant.

5.3 **Deliverables.** In its performance of the Services, Consultant agrees to provide any Deliverables defined in the specific Task Orders to this Contract, and as may be further described in this Contract.

5.4 During the term of this Contract, Consultant shall, at all times, comply with all applicable laws, rules and regulations, of any and all City, State, and Federal agencies, including, but not limited to, the Federal Aviation Administration (“**FAA**”), the Transportation Security Administration (“**TSA**”), the Department of Transportation (“**DOT**”), which may have jurisdiction over, or be concerned with, the programming and planning of Program tasks. Consultant shall work with the City to resolve any conflicting legal authorities and/or requirements, provided however, to the extent resolution of conflicts is not possible, the City’s determination will be final.

Section 6.0 Task Orders.

6.1 Any Services to be provided by Consultant shall only be performed pursuant to Task Orders that provide a detailed description of either the services or tasks to be performed and the personnel to be provided, the time frame for the work to be performed, the not to exceed amount to be charged and any estimated expenses.

6.2 All personnel to be assigned to work under this Contract shall be authorized through a written Task Order.

6.3 Consultant shall provide a complete detailed proposal for each Task Order.

6.4 Task Orders and any and all amendments to Task Orders shall be in writing and signed by LAWA and the Consultant.

6.5 This is a non-exclusive Contract and Consultant shall be paid only for the scope and amount authorized within any given executed Task Order. Upon written authorization by LAWA, funds may be reallocated from one Task Order to another. In the interests of clarity, while LAWA and Consultant shall mutually agree on the annual dollar amounts to be allocated to each Task associated with this Contract, the parties may subsequently agree to reallocate funds based on business need, subject to LAWA’s written authorization.

Section 7.0 Time Periods for Completion of Consultant’s Services.

7.1 It is understood and agreed that time is of the essence in the performance of each task(s), and phases within each task(s), under this Contract. The services and any defined deliverables shall be completed and delivered in a prompt and timely fashion so as to permit the effective review and employment of the deliverables by City during and throughout the term of this Contract.

7.2 The time during which Consultant is delayed in its work by the acts or neglect of City, or by City’s employees or those under it by Contract or otherwise, by court order, by acts or failures to act of local, State and Federal Agencies, and the Airlines, or by acts of God which Consultant could not reasonably have foreseen and provided for, and which are not caused by, or the continuance of which are not due to any fault or negligence on the part of Consultant, shall be added to the applicable period of completion of Consultant’s services under this Contract, but City shall not be liable to Consultant for any damages on account of any such delay(s).

8.3 The execution of any such notice by the CEO shall be as effective as to Consultant as if it were executed by the Board, or by Resolution or Order of said Board, and Consultant shall not question the authority of the CEO or the designee to execute any such notice.

8.4 All such notices, except as otherwise provided herein, may either be delivered personally to CEO with a copy to the Office of the City Attorney, Airport Division, in the one case, or to Consultant in the other case, or may deposited in the United States mail, properly addressed as aforesaid with postage fully prepaid by certified or registered mail, return receipt requested, and shall be effective five (5) days after deposit in the mail.

Section 9.0 Insurance.

9.1 Consultant shall procure at its expense and keep in effect at all times during the term of this Contract, the types and amounts of insurance specified on Insurance, **Exhibit C**, attached hereto and incorporated by reference herein. The specified insurance shall also, either by provisions in the policies, by LAWA's own endorsement form or by other endorsement attached to such policies, include and insure City, its Department of Airports, its Board and all of City's officers, employees, and agents, their successors and assigns, as additional insureds, against the areas of risk described in **Exhibit C**, hereof with respect to Consultant's acts or omissions in its operations, use, and occupancy of all Airports owned and/or operated by Department (hereinafter collectively referred to as "Airport") or other related functions performed by or on behalf of Consultant in, on or about Airport.

9.2 Each specified insurance policy (other than Workers' Compensation and Employers' Liability and fire and extended coverages) shall contain a Severability of Interest (Cross Liability) clause which states, "It is agreed that the insurance afforded by this policy shall apply separately to each insured against whom claim is made or suit is brought except with respect to the limits of the company's liability", and a Contractual Endorsement which shall state, "Such insurance as is afforded by this policy shall also apply to liability assumed by the insured under this Contract with the City of Los Angeles".

9.3 All such insurance shall be primary and noncontributing with any other insurance held by the Department where liability arises out of or results from the acts or omissions of Consultant, its agents, employees, officers, assigns, or any person or entity acting for or on behalf of Consultant. Such policies may provide for reasonable deductibles and/or retentions acceptable to the CEO based upon the nature of Consultant's operations and the type of insurance involved.

9.4 City shall have no liability for any premiums charged for such coverage(s). The inclusion of City, its Department, Board and all of City's officers, employees, and agents, their successors and assigns, as insureds is not intended to, and shall not, make them, or any of them, a partner or joint venturer with Consultant in Consultant's operations at Airport. In the event Consultant fails to furnish City evidence of insurance and maintain the insurance as required, City, upon ten (10) days prior written notice to comply, may (but shall not be required to) procure such insurance at the cost and expense of Consultant, and Consultant agrees to promptly reimburse City for the cost thereof plus fifteen percent (15%) for administrative overhead. Payment shall be made within thirty (30) days of invoice date.

9.5 At least ten (10) days prior to the expiration date of the above policies, documentation showing that the insurance coverage has been renewed or extended shall be filed with City. If such coverage is canceled or reduced, Consultant shall, within fifteen (15) days of such cancellation of coverage, file with City evidence that the required insurance has been reinstated or provided through another insurance company or companies.

9.6 Consultant shall provide proof of all specified insurance and related requirements to City either by production of the actual insurance policy(ies), by use of City's own endorsement form(s), by broker's letter acceptable to the CEO in both form and content in the case of foreign insurance syndicates, or by other written evidence of insurance acceptable to the CEO. The documents evidencing all specified coverages shall be filed with City in duplicate and shall be procured and approved in strict accordance with the provisions in Sections 11.47 through 11.56 of City's Administrative Code prior to Consultant occupying the Airport. The documents shall contain the applicable policy number, the inclusive dates of policy coverages, and the insurance carrier's name, shall bear an original signature of an authorized representative of said carrier, and shall provide that such insurance shall not be subject to cancellation, reduction in coverage, or nonrenewal except after written notice by certified mail, return receipt requested, to the City Attorney of the City of Los Angeles at least thirty (30) days prior to the effective date thereof. City reserves the right to have submitted to it, upon request, all pertinent information about the agent and carrier providing such insurance.

9.7 City and Consultant agree that the insurance policy limits specified herein shall be reviewed for adequacy annually throughout the term of this Contract by the CEO who may,

thereafter, require Consultant, on thirty (30) days prior, written notice, to adjust the amounts of insurance coverage to whatever reasonable amount said CEO deems to be adequate.

9.8 Submission of insurance from a non-California admitted carrier is subject to the provisions of California Insurance Code Sections 1760 through 1780, and any other regulations and/or directives from the State Department of Insurance or other regulatory board or agency. Consultant agrees, except where exempted, to provide City proof of said insurance by and through a surplus line broker licensed by the State of California.

Section 10.0 City Held Harmless.

10.1 In addition to the provisions of Section 9 Insurance herein and to the fullest extent permitted by law, Consultant shall defend, indemnify, and hold harmless City and any and all of City's Boards, officers, agents, employees, assigns, successors in interest from and against any and all suits, claims, causes of action, liability, losses, damages, demands or expenses (including, but not limited to, attorney's fees and costs of litigation), claimed by anyone (including Consultant and/or Consultant's agents or employees) by reason of injury to, or death of, any person(s) (including Consultant and/or Consultant's agents or employees), or for damage to, or destruction of, any property (including property of Consultant and/or Consultant's agents or employees) or for any and all other losses, founded upon or alleged to arise out of, pertain to, or relate to the Consultant's (and/or its agents or employees) and/or Sub-Consultant's (and/or its agents or employees) performance of the Contract, whether or not contributed to by any act or omission of City, or of any of City's Boards, officers, agents or employees. If applicable (a) where such suits, claims, causes of action, liability, losses, damages, demands or expenses arise from or relate to Consultant's performance of a "Construction Contract" as defined by California Civil Code section 2783, this paragraph shall not be construed to require Consultant to indemnify or hold City harmless to the extent such suits, causes of action, claims, losses, demands and expenses are caused by the City's sole negligence, willful misconduct or active negligence; and/or where such suits, claims, causes of action, liability, losses, damages, demands or expenses arise from Consultant's design professional services as defined by California Civil Code section 2782.8, Consultant's duty to indemnify, including its duty and cost to defend, shall be limited to allegations, suits, claims, causes of action, liability, losses, damages, demands or expenses arising out of, pertaining to, or relating to the Consultant's negligence, recklessness or willful misconduct in the performance of the Contract.

10.2 In Consultant's defense of the City under this Section, negotiation, compromise, and settlement of any action, the City shall retain discretion in and control of the litigation, negotiation, compromise, settlement, and appeals there from, as required by the Los Angeles City Charter, particularly Article II, Sections 271, 272, and 273 thereof.

10.3 Survival of Indemnities. The provisions of this Section 10.0 City Held Harmless and all subsections thereof shall survive the termination of this Contract.

Section 11.0 Compliance With All Applicable Laws

11.1 Consultant shall be solely responsible for fully complying with any and all applicable present and future rules, regulations, restrictions, ordinances, statutes, laws and orders of any federal, state, or local government authority.

11.2 Consultant shall be solely responsible for fully complying with any and all applicable present and future orders, directives, or conditions issued, given or imposed by the CEO which are now in force or which may be hereafter adopted by the Board of Airport Commissioners or the CEO with respect to the operation of Airport.

11.3 Consultant shall be solely responsible for any and all civil or criminal penalties assessed as a result of its failure to comply with any of these rules, regulations, restrictions, restrictions, ordinances, statutes, laws, orders, directives or conditions.

11.4 Consultant shall be solely responsible for insuring that the Services fully comply with any and all applicable present and future rules, regulations, restrictions, ordinances, statutes, laws or orders of any federal, state, or local government authority.

Section 12.0 Disabled Access.

12.1 Consultant shall be solely responsible for fully complying with any and all applicable present and future rules, regulations, restrictions, ordinances, statutes, laws, and/or orders of any federal, state, and/or local governmental entity and/or court regarding disabled access including any services, programs, improvements or activities provided by Consultant. Consultant shall be solely responsible for any and all damages caused by, and/or penalties levied as the result of, Consultant's noncompliance. Further, Consultant agrees to cooperate fully with City in its efforts to comply with the Americans With Disability Act of 1990 and any amendments thereto, or successor statutes.

12.2 Should Consultant fail to comply with Section 12.1, then City shall have the right, but not the obligation, to perform, or have performed, whatever work is necessary to achieve equal access compliance. Consultant will then be required to reimburse City for the actual cost of achieving compliance, plus a fifteen percent (15%) administrative charge.

Section 13.0 Independent Consultant.

13.1 It is the express intention of the parties that Consultant is an independent Consultant and not an employee, agent, joint venturer or partner of City. Nothing in this Contract shall be interpreted or construed as creating or establishing the relationship of employer and employee between Consultant and City or between Consultant and any official, agent, or employee of City. Both parties acknowledge that Consultant is not an employee of City.

Consultant shall retain the right to perform services for others during the term of this Contract, unless specified to the contrary herein or prohibited by conflict of interest or ethics laws, regulations, or professional rules of conduct.

Section 14.0 Attorney's Fees. If City shall, without any fault, be made a party to any litigation commenced by or against Consultant arising out of Consultant's use or occupancy of Airport, then Consultant shall pay all costs, expenses, and reasonable attorney's fees incurred by or imposed upon City in connection with such litigation. Each party shall give prompt notice to the other of any claim or suit instituted against it that may affect the other party.

Section 15.0 Assignment or Transfer Prohibited.

15.1 Consultant shall not, in any manner, directly or indirectly, by operation of law or otherwise, hypothecate, assign, transfer, or encumber this Contract, or any portion thereof or any interest therein, in whole or in part, without the prior, written consent of City.

15.2 For purposes of this Contract, the terms “transfer” and “assign” shall include, but not be limited to, the following: (i) if Consultant is a joint venture, a limited liability company, or a partnership, the transfer of fifty percent (50%) or more of the interest or membership in the joint venture, the limited liability company, or the partnership; (ii) if Consultant is a corporation, any cumulative or aggregate sale, transfer, assignment, or hypothecation of fifty percent (50%) or more of the voting shares of Consultant; (iii) the dissolution by any means of Consultant; and, a change in business or corporate structure. Any such transfer, assignment, mortgaging, pledging, or encumbering of Consultant without the written consent of the CEO is a violation of this Contract and shall be voidable at City’s option and shall confer no right, title, or interest in or to this Contract upon the assignee, mortgagee, pledgee, encumbrancer, or other lien holder, successor, or purchaser.

15.3 When proper consent has been given by the CEO, the provisions of this Contract shall be binding upon, and shall inure to the benefit of, the heir(s), successor(s), executor(s), administrator(s) and assign(s) of the parties hereto.

Section 16.0 Abandonment of Project and Cancellation of Contract; Suspension of Services.

16.1 If, at any time, the CEO for any reason, with or without cause, decides to terminate the Project, or any part thereof, or Consultant’s services, or any part thereof, the CEO may: (1) require Consultant to terminate the performance of all, or a portion, of its services; and/or (2) terminate this Contract or any part thereof, upon giving Consultant thirty (30) days' written notice prior to the effective date of such termination which date shall be specified in such notice.

16.2 In the event this Contract, or any portion thereof, and/or Consultant's services, or any portion thereof, is terminated by the CEO, Ci t y shall compensate Consultant for services satisfactorily performed and completed prior to the effective date of such termination, plus any non-refundable expenses or commitments incurred by Consultant in the performance of any Task Order issued by LAWA prior to the effective date of such termination, less payment previously made by City for said services. City shall not be liable for the cost of work performed or expenses incurred subsequent to the date specified by City in the thirty (30) day written notice to terminate, and in no event shall such payments exceed the amount specified in Section 4 hereof, to be paid by City to Consultant, without the prior approval of Board, unless this Contract is first amended in writing. Such payments shall be made by City within a reasonable time following receipt of Consultant's invoice(s) therefore.

16.3 It is understood and agreed that should the CEO decide that any portion of Project and/or Consultant's services shall be suspended, or terminated, this Contract shall continue to apply to that portion or those portions not suspended or terminated, and that such suspension or termination of a portion of Project or services shall in no way make void or invalid this Contract.

16.4 All finished or unfinished documents and materials produced or procured under this Contract, including all intellectual property rights thereto, shall become City property upon date of such termination. Consultant agrees to execute any documents necessary for the City to perfect, memorialize, or record City's ownership of rights provided herein. This section shall survive termination of this Contract.

17.2 Notwithstanding anything herein to the contrary, City has the right to terminate this Contract, with or without cause, upon giving Consultant thirty (30) days advance written notice or as otherwise provided herein.

17.3 A material default or breach of the terms of any other lease, license, permit, or contract held by Consultant with City shall constitute a material breach of the terms of this Contract and shall give City the right to terminate this contract for cause in accordance with the procedures set forth herein.

Section 18.0 Waiver. The waiver by either party of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of any other term, covenant, or condition, or of any subsequent breach of the same term, covenant, or condition.

Section 19.0 Intellectual Property Ownership and Rights

19.1 **Ownership**. All Work Products originated and prepared by Consultant or its sub-Consultant of any tier under this Contract shall be and remain the property of the City for its use in any manner it deems appropriate; provided, however, that any use unintended under this Contract, or modification or alteration of the Work Products without the direct involvement of the Consultant shall be without Liability to Consultant. Work Products are all works, tangible or not, created under this Contract for the City including, without limitation, documents, material, data, reports, manuals, specifications, artwork, drawings, sketches, computer programs and databases, schematics, photographs, video and audiovisual recordings, sound recordings, marks, logos, graphic designs, notes, websites, domain names, inventions, processes, formulas matters and combinations thereof, and all forms of intellectual property therein. To the extent applicable under the U.S. Copyright Act, all works created by Consultant under this Contract are work- made-for-hire created for the sole benefit and ownership of the City. Consultant hereby assigns, and agrees to assign to City, all goodwill, copyrights and trademarks in all Work Products originated and prepared by Consultant under this Contract. Consultant further agrees to execute any documents necessary for the City to perfect, memorialize, or record the City's ownership of rights provided herein. This paragraph shall survive expiration or termination of this Contract.

19.2 **Obligations on Sub-Consultant**. Any sub-contract entered into by Consultant relating to this Contract, to the extent allowed hereunder, shall include a like provision (on City's

ownership in Work Products) for work to be performed under this Contract to Contractually bind or otherwise oblige its sub-Consultants performing work under this Contract such that the City's ownership rights of all Work Products are preserved and protected as intended herein. Failure of Consultant to comply with this requirement or to obtain the compliance of its sub-Consultant with such obligations shall subject Consultant to all remedies allowed under law and termination of this Contract.

19.3 **Use of Work Products by Third Parties**. Consultant shall not make available, provide or disclose any Work Product to any third party without prior written consent of the City.

19.4 **No Transfer of Pre-Existing Intellectual Property**. Nothing herein may be construed to transfer to the City any ownership, interest or right in any of the Consultant's intellectual property, trade secrets or know-how that is pre-existing before commencement of this Contract, or that is derived independent of Consultant's performance of this Contract.

19.5 **Non-Infringement Warranty**. Consultant hereby represents and warrants that performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party's intellectual property rights, including, without limitation, patents, copyrights, trademarks, trade secrets, right of publicity and proprietary information. This section shall survive expiration or termination of this Contract.

19.6 **Indemnification of Third Party Intellectual Property Infringement Claims**. Consultant will defend at its expense and hold harmless in any infringement claim, demand, proceeding, suit or action ("**Action**" hereinafter) against the City, its commissioners, officers, directors, agents, employees, or affiliates ("**City Defendants**") for any infringement or violation, actual or alleged, direct or contributory, intentional or otherwise, of any intellectual property rights, including patents, copyrights, trade secrets, trademarks, service marks, ideas, concepts, themes, methods, algorithms and other proprietary information or rights (collectively "**Intellectual Property Rights**" hereinafter), (1) on or in any design, medium, matter, plant, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by the Consultant or Sub-Consultants in performing the work under this Contract; or (2) as a result of the City's actual or intended use of any Work Product furnished by Consultant and/or Sub-Consultant under the Contract. Consultant also shall indemnify the City against any loss, cost, expense, liability, and damages awarded against the City or settlement as a consequence of such Action. Under no circumstances is Consultant liable under this sub-section to defend and hold the City harmless, where the City licenses or sublicenses for profit any of the intellectual property rights in the Work Product to a third-party whose use of the intellectual property gives rise to the alleged infringement and whose use is not in any way part of the intended use for the benefit of the City under this Contract.

19.7 In Consultant's defense of the City Defendants, negotiation, compromise, and settlement of any such infringement Action, LAWA and the Board shall retain discretion in and control of the litigation, negotiation, compromise, settlement, and appeals there from, as required by the Los Angeles City Charter, particularly Article II, Sections 271, 272 and 273 thereof.

19.8 Where any Work Product furnished by Consultant is in a form of software or firmware ("**Vehicle**"), and if any part of the such Vehicle (a) becomes the subject of an Action, is adjudicated as infringing a third party's Intellectual Property right, or (c) has its use enjoined or

license terminated; Consultant shall, with the City's consent, do one of the following immediately. Consultant shall at its expense either:

- i) procure for the City the right to continue using said part of the Vehicle;
- OR
- ii) replace the Vehicle with a functionally equivalent, non-infringing product.

Exercise of any of the above-mentioned options shall not cause undue business interruption to the City or diminish the intended benefits and use of the Work Product by the City under the specifications herein.

19.9 Rights and remedies available to the City hereinabove shall survive the expiration or other termination of this agreement. Further, the rights and remedies are cumulative of those provided for elsewhere in this Contract and those allowed under the laws of the United States, the State of California, and the City of Los Angeles. This Paragraph shall survive the expiration or other termination of this Contract.

19.10 **Consultant's Trade Secrets.** Trade Secrets, as used in this Contract, are defined in California Government Code Section 6254.7 and California Evidence Code Section 1061(a)(1) and may include, but are not limited to, any formula, plan, pattern, process, tool, mechanism, compound, procedure, production data, or compilation of information which is not patented, which is known only to certain individuals within a commercial concern who are using it to fabricate, produce, or compound an article of trade or a service having commercial value and which gives its user an opportunity to obtain a business advantage over competitors who do not know or use it. No Work Products or Deliverables created and delivered to City under this Contract may constitute Trade Secrets of Consultant.

19.11 Consultant hereby stipulates that City is not nor expected to be in possession of any of Consultant's Trade Secrets. In the unlikely event that Consultant reveals any of its Trade Secrets (that is so marked conspicuously on every page) to City to further the intent and purpose of this Contract and so notifies City in writing that it has revealed its Trade Secrets to City, then City agrees to notify Consultant of any request made pursuant to the California Public Records Act, Cal. Gov. Code, § 6250 et seq., ("CPRA") that includes Consultant's Trade Secrets. City may disclose any of Consultant's Trade Secrets if Consultant does not object in writing to the City after ten (10) calendar days from the notice mailing date by the City to Consultant of the CPRA request.

19.12 Unless expressly stated otherwise, for all pre-existing third-party and Consultant's intellectual property (if any), including software, required to operate or use any Work Product delivered by Consultant, Consultant hereby grants and will cause others to grant City (including its agents and Consultants) a royalty-paid, perpetual, irrevocable license to use such pre-existing intellectual property internally by the City (including its agents and Consultants).

20.9 **Force Majeure.** Notwithstanding any other provision hereof, neither the Consultant nor the City shall be held responsible or liable for failure to meet their respective obligations under this agreement, if such failure shall be due to causes beyond the Consultant's or City's control. Such causes include but are not limited to: strikes, fire, flood, civil disorder, acts of God or the public enemy, acts of terrorism, acts of the Federal Government or any unit of state or local government in either sovereign or contractual capacity, insurrection, epidemics, freight embargos or delay in transportation, and changes in federal, state or local laws.

21.1 Unless expressly agreed otherwise by the CEO/Board in writing, all Deliverables (including but not limited to all drawings, documents, specifications, plans, reports, statistics and data) and any other information in any form prepared by or provided to Consultant in connection with this Contract (collectively, "Program Data") are property of the City and are confidential. Consultant expressly agrees that, except as specifically authorized by the CEO/Board in writing or as may be required by law, Program Data will be made available only to the CEO/Board, his/her designees, and, on a need-to-know basis, Consultant's employees and subConsultants. In addition, Consultant may disclose the annual fees payable to Consultant under this Contract as part of Consultant’s budget and financial reporting processes to its employees, Board of Directors, the Los Angeles Department of Convention & Tourism Development and the Los Angeles Tourism Marketing District Corporation.

21.3 If Consultant is presented with a subpoena or a request by an administrative agency regarding any Program Data which may be in Consultant's possession by reason of this Contract, Consultant must immediately give written notice to the CEO/Board and to the City Attorney for the City of Los Angeles, with the understanding that the City will have the opportunity to contest such process by any means available to it before any Program Data are submitted to any court, administrative agency, or other third party. Employees covered by the LWO are required to be paid not less than a minimum initial wage rate, as adjusted each year. The LWO also requires that employees be provided with at least twelve (12) compensated days off per year for sick leave, vacation, or personal necessity at the employee's request, and at least ten (10) additional days per year of uncompensated time pursuant to Section 10.37.2(b). In some circumstances, applications for exemption must be reviewed periodically. City shall notify Consultant in writing about any redetermination by City of coverage or exemption status. To the extent Consultant claims non-coverage or exemption from the provisions of the LWO, the burden shall be on Consultant to prove such non-coverage or exemption.

As used above, the term “Non-ERISA Benefits” shall mean any and all benefits payable through benefit arrangements generally available to Consultant’s employees which are neither “employee welfare benefit plans” nor “employee pension plans”, as those terms are defined in Sections 3(1) and 3(2) of ERISA. Additional information about the City of Los Angeles’ Equal Benefits Ordinance may be obtained from the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance at (213) 847-6480.”

32.3 The failure of Consultant to comply with the EBO will be deemed to be a material breach of the Contract by City. If Consultant fails to comply with the EBO, the City may cancel or terminate the Contract, in whole or in part, and all monies due or to become due under the Contract may be retained by the City. The City may also pursue any and all other remedies at law or in equity for any breach. Failure to comply with the EBO may be used as evidence against Consultant in actions taken pursuant to the provisions of Los Angeles Administrative Code Section 10.40, et seq., Consultant Responsibility Ordinance. If the City determines that Consultant has set up or used its contracting entity for the purpose of evading the intent of the EBO, the City may terminate the Contract.

Cost Reimbursable Guidelines

Exhibit B: Cost Reimbursable Guidelines

The Consultant/Contractor shall be reimbursed for the following reimbursable costs in accordance with City policy, subject to amendments, and the guidelines detailed below:

A. REIMBURSABLE TRAVEL EXPENSES

It is the policy of LAWA to allow for the reimbursement of Consultant/Contractor relocation and travel expenses, in accordance with City policy, when it is determined that such reimbursement assists in the furtherance of official city business goals and/or increases revenue for LAWA. Official city business is constituted as and shall demonstrate:

- (1.) *A valid City interest to be served or gained thereby;*
- (2.) *Relevance to the City operations or the individual's role in such operations;*
- (3.) *The promotion or development of City programs, methods or administration; or*
- (4.) *Compliance with instructions or authorization of the Mayor or the City Council.*

It is expected that in each instance the Consultant/Contractor will only incur expenses that a reasonable and prudent person would incur if traveling on personal business.

LAWA policy allows for the reimbursement of Consultant/Contractor travel and related expenses provided that the contractor documents include a provision for the project related travel and related expenses for the furtherance of work. Prior written approval by an authorized LAWA signer is required. It is expected that before such authorization is granted, due consideration shall be given to such factors as suitability, level of seniority in the field of expertise, specialty discipline, and nature of the business involved.

For travel to locations other than LAX, prior written authorization is required and reimbursement of expenses shall be computed based upon City policy, subject to amendments, and all conditions as noted herein will apply. Only those Consultants specifically authorized by LAWA may submit travel expenses for reimbursement.

A.1 Travel Expenses Reimbursement Methodologies

a.) Travel Related Reimbursement Factor

This methodology shall be applied when the frequency of travel is known and forecasting of expenditures can be made with a certain level of predictability. Utilizing this methodology, LAWA may negotiate a travel-related reimbursement factor. This factor must be authorized by LAWA and detailed in a Task Order or Travel Authorization, as designated in the contract language. The authorizing document shall specify the time period for which this approval is granted. LAWA reserves the right to periodically review and adjust the travel related reimbursement factor.

Under this methodology, LAWA will not require submission of actual receipts for the reimbursement factor but will require verification of travel status in the form of airfare or transit receipts, or lodging receipt/lease agreement.

b.) Actual Costs for Airfare/Transit Expenses plus Not-to-Exceed Per Diem

In cases where Consultant travel is required for a limited duration, LAWA may authorize a Consultant to receive reimbursement of airfare and transportation expenses plus a not-to-

exceed per diem to cover lodging, meals and incidental expenses for one full day. With the exception of meals which will be covered via a meal allowance, all other travel-related expenses shall be based upon submission of actual receipts.

1.) Air Travel

Official travel shall be by the most direct routing and Consultant air travel expenses are allowable only for the lowest regular fare available for regularly scheduled airlines for the date and time selected. LAWA will reimburse for the price of a coach class, unrestricted ticket. When possible, economy or special fares are to be used. Consultants, when possible, should make every effort to make the reservation well in advance to be able to get the best price possible. Approved Air Travel must be supported by legible copies of airline tickets. Electronic tickets and boarding passes are acceptable. LAWA shall only reimburse for reservation change fees when the schedule change was requested by LAWA and is supported by documentation confirming LAWA's direction of schedule change. Comfort items such as paying for exit row seats or service upgrades are not allowable. In cases where the traveler is charged for the first checked bag, the City will reimburse for this fee. Baggage fees for additional items will not be automatically reimbursed unless a justification for a business need is provided. Checked baggage fees are considered a separate reimbursement expense and are not included as part of the per diem.

2.) Ground Transportation

For consultants approved on travel status, the least expensive and most practical form of public transportation shall continue to be reimbursed taking into consideration such factors as time, safety and availability. Ground transportation is defined as travel from home to airport and back, and from airport to LAWA business location and back.

a.) Local Transportation - Local transportation costs incurred by Consultant while in travel status will be reimbursed as follows:

- Taxi/limousine-bus/shuttle-bus/TNC - Reimbursable at actual cost.
- Rental Automobiles - Because of their cost, rental automobiles shall be used only when their use will affect a savings or other advantage, when the use of other transportation is not feasible, when transporting a LAWA partner who is accompanying the traveler and/or when transporting a significant quantity of LAWA collateral materials. Rental automobiles should be limited to compact models when available, unless hosting a LAWA partner who is accompanying the traveler and/or when transporting a significant quantity of LAWA collateral materials, in which case intermediate/mid-size models are acceptable. A legible copy of the automobile rental agreement is required. Rental of other than compact automobiles is allowable when compacts are not available or if more than two staff members are in the travel status. All rental cars will be returned with a full tank of gas when possible. Fuel charges will be reimbursed at the market price. Unreasonable or excessive fuel charges by the rental car agency may not be reimbursed.
- Private Automobile - Use of private or Consultant owned or leased automobiles will be reimbursed at the rate permitted under the Internal Revenue Service published rates as applicable to such costs. Prior written approval by LAWA is required before any private automobile will be allowable for reimbursement.

- Tolls and parking charges - for use of ferries, roads, bridges, and tunnels while traveling to and from commercial carriers and parking charges at origination/destination are reimbursable at cost.

b.) Local Travel - Travel to and from the Site for Home Office Staff who are located in any of the Consultant's office locations in the Los Angeles Vicinity is not reimbursable without prior written approval by LAWA.

3.) Not-to-Exceed Per Diem

The not-to-exceed per diem rate will be applied as a meal allowance, in accordance with the limits established by the City Controller, plus actual costs for lodging and incidentals. The combined total amount of the meal allowance, lodging and incidental costs shall be in accordance with City policy.

Covered Expenses:

- Lodging to include hotel/motel or corporate housing
- Meal allowance which covers meals, including gratuity
- Incidental expenses which includes:
- Fees and tips given to porters, baggage carriers, bellhops, hotel maids/servants, stewards or stewardesses, and others

A.2 Lodging/Meals Guidelines

A per diem may be used to reimburse Consultant for overnight accommodations and meals when in travel status on behalf of LAWA as outlined in the City's travel policy and amended from time to time. If Consultant's internal policy is a lower rate, the lower rate will be used. The per diem rate will be applied as a meal allowance, in accordance with the limits established by the City Controller, plus actual costs for lodging and incidental expenses. Receipts are required for lodging and incidental expenses and will be reimbursed in accordance with City policy. As the per diem is periodically updated by the CAO, reimbursement shall be made based upon the per diem rate published at the time expenses are incurred. In the selection of restaurants and lodging, it is expected that individuals will seek moderately priced establishments of acceptable quality. The Consultant must consider transportation costs, time, and other relevant factors in selecting the most economical and practical accommodations. Consultants will be required to select a hotel/motel within the City of Los Angeles limits. In cases where rates have been negotiated with the hotel properties surrounding its airports, LAWA will make this listing available for the Consultant's consideration. Approval of the properties not on the negotiated list will be evaluated based upon competitive rates. Lodging expenses will be reimbursed only at the single occupancy rate.

For traveling employees assigned to the Site on a regular basis, the Consultant may utilize internal policies, such as use corporate apartments, to determine the most cost effective lodging. Prior to leasing or procuring such lodging, the Consultant shall perform a lease versus per diem analysis and provide to LAWA for review and concurrence.

- a.) Incidental expenses – The per diem rate includes incidental expenses.
- b.) Expenses above the per diem rate shall not be reimbursed even if supported by receipts.

- c.) Meal and incidental allowance will be prorated at 75% of the daily allowance as follows: (Note: Prorating of meal and incidental allowance is specified under IRS Publication 463.)
- On travel days regardless of departure and/or arrival times;
 - When a meal is provided as part of the conference;
 - For travel under the "50-mile" rule exceptions with overnight lodging and pre-approval
- Note:** No meal allowance will be provided when meals are provided throughout the day by the host or as part of a conference.
- d.) Meal receipts do not have to be presented to receive the meal allowance per day of business travel except for travel on grant funded projects where the grantor requires complete documentation of travel expenses.
- e.) Gratuities are limited to no more than 15% and are included as part of the Meal Allowance. There will be no additional reimbursement for gratuities.
- f.) For international travel, meal and incidental allowances will be provided according to City policy.

A.3 Non-Reimbursable Travel Costs, including, but not limited to:

- a.) Non-economy class airfare.
- b.) Non-compact vehicle rental, except as otherwise noted in section A.1.b.2.a. above
- c.) Air flight insurance.
- d.) Expense of any insurance offered by the auto rental company such as Collision Damage Waiver, Personal Accident Insurance, Liability Insurance Supplement, Personal Effects Coverage, Supplemental Liability Protection, etc. in connection with a rented vehicle.

Equipment may also be leased if determined to be cost effective. The Consultant shall provide a lease versus purchase analysis for such proposed leased Equipment. If Equipment is currently owned by the Consultant, it may be leased for exclusive use at the Site and on the Project and reimbursed by LAWA at a fair market rate. No such Equipment may be purchased, leased or licensed without the prior written approval of LAWA.
2. Reproduction - At actual cost of outside reproduction of material and documents required in the furtherance of work.

Service charges for devices are reimbursable, except unnecessary and/or unreasonable charges such as roaming fees (except roaming fees incurred while in approved travel status), roadside assistance, home long distance, text messaging or any other such feature that are not essential to the individuals job function which will not be reimbursed. The City reserves the right to limit the number of individuals allowed to bill for mobile communication devices.
5. Vehicle and Equipment Costs - Prior to leasing/purchasing major equipment, trailers and/or vehicles, the Consultant shall perform a lease versus purchase analysis. If the job vehicle is currently owned by the Consultant parent company, it may be leased for exclusive use at the Site and on the Project and reimbursed by LAWA at a fair market/comparable lease rate. The analysis shall be approved by LAWA prior to leasing and/or purchasing major equipment and vehicles. Job vehicles and vehicles for Key Personnel will be reimbursed at actual leased cost as long as such lease cost is reasonable. Repairs related to normal wear and tear for such vehicles will be reimbursed at actual cost as long as such costs are reasonable. Reimbursement will not

Insurance

Contractor shall procure at its own expense, and keep in effect at all times during the term of this Agreement, the types and amounts of insurance specified herein. The specified insurance shall also, either by provisions in the policies or by endorsement attached to such policies, specifically name the City of Los Angeles, Los Angeles World Airports, its Board of Airport Commissioners (hereinafter referred to as "Board"), and all of its officers, employees, and agents, their successors and assigns, as additional insureds, against the area of risk described herein as respects Contractor's acts or omissions in its operations, use and occupancy of the premises hereunder or other related functions performed by or on behalf of Contractor on Airport.

With respect to Workers' Compensation, the Contractor shall, by specific endorsement, waive its right of subrogation against the City of Los Angeles, Los Angeles World Airports, its Board, and all of its officers, employees and agents, their successors and assigns.

Each specified insurance policy (other than Workers' Compensation and Employers' Liability and fire and extended coverages) shall contain a Severability of Interest (Cross Liability) clause which states, "It is agreed that the insurance afforded by this policy shall apply separately to each insured against whom claim is made or suit is brought except with respect to the limits of the company's liability," and a Contractual Endorsement which shall state, "Such insurance as is afforded by this policy shall also apply to liability assumed by the insured under this Agreement with the City of Los Angeles."

City shall have no liability for any premiums charged for such coverage(s). In the event Contractor fails to furnish City evidence of insurance and maintain the insurance as required, City, upon ten (10) day prior written notice to comply, may (but shall not be required to) procure such insurance at the cost and expense of Contractor, and Contractor agrees to promptly reimburse City for the cost thereof plus fifteen percent (15%) for administrative overhead.

If such coverage is canceled or reduced, Contractor shall, within fifteen (15) days of such cancellation or reduction of coverage, file with City evidence that the required insurance has been reinstated or provided through another insurance company or companies.

Contractor shall provide proof of all specified insurance and related requirements to City either by production of the actual insurance policy(ies), by a broker's letter acceptable to the Chief Executive Officer in both form and content in the case of foreign insurance syndicates, or by other written evidence of insurance acceptable to the Chief Executive Officer. The documents evidencing all specific coverages shall be filed with City prior to commencement of this contract. The documents shall contain the applicable policy number, the inclusive dates of policy coverages and the insurance carrier's name, shall bear signature and the typed name of an authorized representative of said carrier, and shall provide that such insurance shall not be subject to cancellation, reduction in coverage or nonrenewal except after written notice by certified mail, return receipt requested, to the City Attorney of the City of Los Angeles at least thirty (30) days prior to the effective date thereof.

City and Contractor agree that the insurance policy limits specified herein shall be reviewed for adequacy annually throughout the term of this Agreement by Chief Executive Officer, who may thereafter require Contractor to adjust the amounts of insurance coverage to whatever amount Chief Executive Officer deems to be adequate. City reserves the right to have submitted to it, upon request, all pertinent information about the agent and carrier providing such insurance.

City Held Harmless

To the fullest extent permitted by law, Contractor shall defend, indemnify and hold harmless City and any and all of City's Boards, officers, agents, employees, assigns and successors in interest from and against any and all suits, claims, causes of action, liability, losses, damages, demands or expenses (including, but not limited to, attorney's fees and costs of litigation), claimed by anyone (including Contractor and/or Contractor's agents or employees) by reason of injury to, or death of, any person(s) (including Contractor and/or Contractor's agents or employees), or for damage to, or destruction of, any property (including property of Contractor and/or Contractor's agents or employees) or for any and all other losses, founded upon or alleged to arise out of, pertain to, or relate to the Contractor's and/or Sub-Contractor's performance of the Contract, whether or not contributed to by any act or omission of City, or of any of City's Boards, officers, agents or employees. Provided, however, that where such suits, claims, causes of action, liability, losses, damages, demands or expenses arise from or relate to Contractor's performance of a "Construction Contract" as defined by California Civil Code section 2783, this paragraph shall not be construed to require Contractor to indemnify or hold City harmless to the extent such suits, causes of action, claims, losses,

demands and expenses are caused by the City's sole negligence, willful misconduct or active negligence. Provided further that where such suits, claims, causes of action, liability, losses, damages, demands or expenses arise from Consultant's design professional services as defined by California Civil Code section 2782.8, Consultant's indemnity obligations shall be limited to allegations, suits, claims, causes of action, liability, losses, damages, demands or expenses arising out of, pertaining to, or relating to the Consultant's negligence, recklessness or willful misconduct in the performance of the Contract.

In addition, Contractor agrees to protect, defend, indemnify, keep and hold harmless City, including its Boards, Departments and City's officers, agents, servants and employees, from and against any and all claims, damages, liabilities, losses and expenses arising out of any threatened, alleged or actual claim that the end product provided to LAWA by Contractor violates any patent, copyright, trade secret, proprietary right, intellectual property right, moral right, privacy, or similar right, or any other rights of any third party anywhere in the world. Contractor agrees to, and shall, pay all damages, settlements, expenses and costs, including costs of investigation, court costs and attorney's fees, and all other costs and damages sustained or incurred by City arising out of, or relating to, the matters set forth above in this paragraph of the City's "Hold Harmless" agreement.

In Contractor's defense of the City under this Section, negotiation, compromise, and settlement of any action, the City shall retain discretion in and control of the litigation, negotiation, compromise, settlement, and appeals there from, as required by the Los Angeles City Charter, particularly Article II, Sections 271, 272 and 273 thereof.

Survival. The provisions of this section shall survive the expiration or earlier termination of this Agreement.

Hazardous and Other Regulated Substances

(a) Contractor's performance under this Contract and/or occupancy or use of any LAWA property shall be in full compliance with any and all applicable present and future rules, regulations, restrictions, ordinances, statutes, laws and/or other orders of any governmental entity regarding the use, storage, handling, distribution, processing and/or disposal of hazardous wastes, extremely hazardous wastes, hazardous substances, hazardous materials, hazardous chemicals, toxic chemicals, toxic substances, pollutants, contaminants or other similarly regulated substances (hereinafter referred to as "hazardous substances"). Said hazardous substances shall include, but shall not be limited to, mold, gasoline, aviation, diesel and jet fuels, lubricating oils and solvents. Contractor agrees that any damages, penalties or fines levied on City and/or Contractor as a result of Contractor's noncompliance with any of the above shall be the sole responsibility of Contractor and further, that Contractor shall indemnify and pay and/or reimburse City for any damages, penalties or fines that City pays as a result of noncompliance with the above.

(b) In the case of any hazardous substance spill, contamination, leak, discharge or improper storage affecting LAWA property caused or contributed to by Contractor or its employees, servants, agents, contractors or subcontractors, Contractor agrees to make or cause to be made any necessary repairs or corrective actions as well as to clean up and remove any leakage, contamination or contaminated ground to the satisfaction of Chief Executive Officer. If Contractor fails to repair, cleanup, properly dispose of or take any other corrective actions as required herein, City may (but shall not be required to) take all steps it deems necessary to properly repair, clean up or otherwise correct the conditions resulting from the spill, leak or contamination. Any such repair, clean-up or corrective actions taken by City shall be at Contractor's sole cost and expense and Contractor shall indemnify and pay for and/or reimburse City for any and all costs (including any administrative costs) City incurs as a result of any repair, clean-up or corrective action it takes.

(c) Contractor shall promptly supply City with copies of all notices, reports, correspondence and submissions made by Contractor to any governmental entity regarding any hazardous substance spill, leak, discharge or clean-up including all test results.

(d) The provisions of this section shall survive the expiration or earlier termination of this Agreement.

1. **When should I comply with the Insurance Requirements?** The Risk Management Division's Insurance Compliance section is the first place to start if your proposal has been accepted or you have been awarded the bid. You cannot perform any work for the Department without approved evidence of insurance. Please be aware that if current evidence of insurance is not on file with the Insurance Compliance Section, invoices cannot be processed, badges cannot be issued and permits cannot be processed.

THE ACCOUNTING DIVISION HAS BEEN INSTRUCTED BY THE CITY CONTROLLER NOT TO PROCESS INVOICES UNLESS CURRENT EVIDENCE OF INSURANCE IS IN PLACE.

2. **What does LAWA consider as Acceptable Evidence of insurance?** The only evidence of insurance acceptable is either a Certificate of Insurance and/or a True and Certified copy of a policy. The following items must accompany the form of evidence provided:
 - a. A copy of the Waiver of Subrogation Endorsement **specifically** naming Los Angeles World Airports on the schedule is required for Workers' Compensation. **A BLANKET ENDORSEMENT AND/OR LANGUAGE ON A CERTIFICATE OF INSURANCE IS NOT ACCEPTABLE.**
 - b. A copy of the Additional Insured Endorsement (CG 20 10 11 85 or similar) **specifically** naming Los Angeles World Airports on the schedule is required for General Liability. **A BLANKET ENDORSEMENT AND/OR LANGUAGE WRITTEN ON A CERTIFICATE OF INSURANCE IS NOT ACCEPTABLE UNLESS YOU HAVE A DIRECT CONTRACT WITH LAWA.**
 - c. The Certificate of Insurance and/or the True and Certified copy of the policy must be signed by the Authorized Representative.
 - d. A copy of the Schedule of Underlying Coverage/Insurance is required for the Excess policy.
3. **Is there an added cost to add Los Angeles Worlds Airports as Additional Insured?** Possibly; there usually is an added cost to doing this. This fact should be considered when you are formulating your costs for the bid or proposal. Check with your insurance agent or broker as .
4. **How can I obtain information on your Insurance Requirements?** An Insurance Requirement Sheet is included in the Proposal/Bid Package, which specifically outlines the types and amounts of coverage required. This Requirement Sheet should be passed on to your authorized agent/broker for their review. You may also contact us at (424) 646- 5480.
5. **Do I need to prepare more forms if I already have LAWA's evidence of insurance?** No. If you already have current evidence of insurance on file with our Risk Management's Insurance Compliance Section, it is not necessary to complete a new set of forms. Once documentation is in place, you do not need to go through the process for each project. **However**, if the documents submitted are project specific, you will need to submit forms for each project. Therefore it is suggested that forms submitted indicate they are for the maximum coverage required and all LAWA projects. Please check with our office to be sure that all coverages are current. Your contract administrator can do this for you as well. Our office maintains a computerized record of your evidence of insurance.

6. **What insurance companies are acceptable to LAWA?** Insurance companies must have an A- or better rating and have a financial size of at least IV to be acceptable to LAWA. We use the A.M. Best Key Rating Guide as our reference.
7. **How long will I need the insurance coverage?** If you are awarded a contract, there will be a provision in your contract which specifically states that it is your responsibility to maintain current evidence of insurance in our files for the contract period.
8. **How long does it take LAWA to process my evidence of insurance?** Evidence of Insurance is processed upon receipt by LAWA. Please submit your evidence of insurance documents to the Risk Management Division's Insurance Compliance Section at riskinsurance@lawa.org, as soon as you are awarded the contract.
9. **When should I complete the evidence of insurance?** Prior to the commencement of this contract, the vendor must provide proof of insurance. Do not spend any money to meet the insurance requirements until you are awarded the contract by LAWA. Get an estimate or quote from your insurance agent or broker and factor that into the bid/proposal you are preparing. Enclose a statement, provided on your company letterhead, which states you have reviewed the insurance requirements and that you will provide the required evidence of insurance if you are awarded the contract.
Note for Prime Contractors: Prime Contractors are responsible for ensuring that their Sub-contractors have adequate evidence of insurance coverage appropriate to the work to be performed. At a minimum, if airfield access is involved, the sub-contractor must show \$10 million in coverage, plus endorsements. If no airfield access is involved in the work, the minimum threshold is \$1 million, plus endorsements. In rare cases, if the work is performed entirely off site, there may be no need for evidence of insurance coverage.

**GUIDANCE FOR SUBMITTING EVIDENCE OF INSURANCE TO THE CITY OF LOS ANGELES,
LOS ANGELES WORLD AIRPORTS**

Coverage & Limits: All insurance requirements established are based on the detailed scope of work and or/nature of your business with the Los Angeles World Airports (LAWA). The coverage and limits for each type of insurance are specified on the Insurance Requirements Sheet (IR Sheet).

Please give your insurance agent/broker a copy of the Insurance Requirements Sheet along with these instructions. All evidence of insurance must be authorized by a licensed insurance agent with authority to bind coverage.

1. **When to submit:** Normally, no work may begin until acceptable insurance is analyzed and approved by the Insurance Compliance Section. Upon approval the Contract Administrator will authorize a Notice to Proceed (NTP). So insurance documents should be submitted as early as practicable.
2. **Acceptable Evidence and Approval:** Electronic submission is the best method of submitting your documents, and designed to make the experience of submitting insurance information quick and easy. LAWA accepts the standard insurance industry form known as the **ACORD 25 Certificate of Liability Insurance**, with applicable endorsements and waiver of subrogation. Other insurance industry certificates that have been approved by the State of California, Broker's Letters, and True and Certified copy of insurance policies may be accepted. The following items (**#4 and #5**) **must accompany the form of evidence provided.**
3. **Additional Insured Endorsements:** (CG20101185 / CG2010 / CG2037 or similar) are required acceptable for the general liability policy. All endorsements must name the **City of Los Angeles, Los Angeles World Airports (LAWA), its Board, and all of its officers, employees and agents** as additional insured's.
4. **Waivers of Subrogation:** Required For Workers Compensation.
5. **Blanket Endorsement or Waiver of Subrogation:** Acceptable only for contracts directly with LAWA. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state **LAWA** is an automatic or blanket additional insured.
6. **Certificate Language:** Language written on the Certificate of Insurance in the "**Description of Operations Section**" is not acceptable as an endorsement.
7. **Cancellation Notice:** All Certificates must provide a thirty **(30) days' cancellation notice provision**, ten (10) days for non-payment of premium).
8. **Self-Insure:** If your agreement requires Workers' Compensation coverage and you have been authorized by the State of California to self-insure, a copy of the certificate from the State consenting to self- insurance must be provided from the State of California as proof of insurance.
9. **Acceptable Insurers:** LAWA uses the A.M. Best Key Rating Guide as our reference. All acceptable insurers must have an A.M. Best **A-VI or better rating** to be acceptable to LAWA.

10. **Transportation Companies:** Passenger Carriers are regulated by the Public Utilities Commission (PUC). Any questions concerning passenger carrier requirements may be directed to the PUC.
- 0-7 passengers.....\$750,000
 - 8-15 passengers.....\$1,500,000
 - 16 or more passengers \$5,000,000
11. **Vehicle Schedules:** Unless “ANY” auto is covered under the automobile policy, a vehicle schedule is required. The schedule issued on behalf of transportation companies must provide the make, model, VIN number and passenger count for every vehicle operating on Airport property.
12. **Multiple Policies:** More than one insurance policy may be required to comply with the insurance requirements.
13. **Underwriter:** In the case of syndicates or subscription policies, indicate lead underwriters or managing agent and attach a schedule of subscribers, including their percentage of participation.
14. **Project Reference:** Include reference of either the specific City agreement (bid, contract, lease, etc.) or indicate “ALL PROJECTS AT LAWA” covered. When coverage is on a scheduled basis, a separate sheet may be attached to the certificate listing such scheduled locations, vehicles, etc.
15. **Excess Insurance:** An Excess Umbrella policy can be provided to assist with meeting the insurance requirement limit(s) when the primary insurance coverage is less than the amount of coverage required for the project.
16. **Expiration and Renewal:** LAWA insurance file expiration coincides with your coverage expiration. Renewal is not automatic. You must provide the Insurance Compliance Section with renewal information. When renewing your insurance file information, the agent/broker/underwriter must provide current endorsements and waivers. The effective date on the Certificate of Insurance must coincide with the endorsements and waivers. Insurance documents cannot be altered and provided as proof of insurance.
17. **Contract Administrator:** Questions regarding your **contract** should be directed to your Contract Administrator or office responsible for your contract, lease, permit or other agreement.

- B. A new Covered Vehicle Operator who plans to begin operations at LAX prior to April 30, 2019, must comply with the requirement set forth in Section III and subsection IV.A. prior to commencing operations at LAX.

In cases where an Operator cannot comply with the requirements established pursuant to Sections III and IV above because neither Alternative-Fuel Vehicles, Optional Low NOx standard vehicles, or LEV II standard vehicles through 2019 and LEV III standard vehicles thereafter, are commercially available for performance of particular tasks, LAWA will instead require Operators to use the Least-Polluting Available Vehicles for such tasks. An Independent Third Party Monitor will determine whether Alternative-Fuel Vehicles, Optional Low NOx standard vehicles, or LEV II standard vehicles through 2019 and LEV III standard vehicles thereafter are commercially available to perform particular tasks, and, in cases where neither Alternative-Fuel Vehicles, Optional Low NOx standard vehicles, nor LEV II standard vehicles through 2019 and LEV III standard vehicles thereafter are commercially available for performance of a particular task, will identify the Least-Polluting Available Vehicle for performance of that task.

VI. Annual Reporting Requirement.

- A. By January 31st of each calendar year, Covered Vehicle Operators must submit to LAWA the vehicle information required on the reporting form accessible online at <https://online.lawa.org/altfuel/> for the prior calendar year.

- B. Low-Use Vehicles shall be included in the annual reporting. Where monthly trip data is used to establish low-use, the operator must provide proof such as transponder data records or an attestation acceptable to LAWA.

- C. A Covered Vehicle Operator who plans to begin operations at LAX must comply with this reporting requirement prior to commencing operations, and thereafter comply with the annual reporting deadline of January 31st of each calendar year.

VII. Enforcement.

- A. **Non-Compliance.** The following circumstances shall constitute non-compliance for purposes of this Section VII:
 - i) Failure to submit an annual report pursuant to Section VI above.

 - ii) Failure to use an Alternative Fuel Vehicle, an Optional Low NOx vehicle, a vehicle meeting LEV II standards prior to December 31, 2019, or LEV III standards thereafter, an approved Least-Polluting Available Vehicle, or a vehicle approved under LAWA's former Alternative Fuel Vehicle Requirement, including approved comparable emissions vehicles.

- iii) Failure to submit a Compliance Plan as defined in subsection VII.C. below within 30 days of notice of non-compliance from LAWA.
- iv) Failure to adhere to an approved Compliance Plan as defined in subsection VII.C. below.

B. Notice of Non-Compliance. Covered Vehicle Operators found not to be in compliance with the Alternative Fuel Vehicle Requirement as set forth in subsection VII.A. above will be given a notice of non-compliance. Covered Vehicle Operators will have 30 days to correct the deficiencies documented in the notice of non-compliance by completing the annual report as defined in Section VI or submitting a Compliance Plan as defined in subsection VII.C. below, as applicable to the reason cited for non-compliance.

C. Compliance Plan.

- i) Operators shall transition to compliant vehicles as soon as practicable.
- ii) Non-compliant Covered Vehicle Operators will be required to submit a Compliance Plan indicating the disposition (salvage, replace, remove from service, etc.) date for each non-compliant vehicle ("Compliance Plan") within 30 days of receiving a notice of non-compliance for a vehicle in the Operator's fleet. The Compliance Plan shall provide dates by which the non-compliant vehicle or vehicles in the Operator's fleet will meet the requirements of the LAX Alternative Fuel Vehicle Requirement and a justification for the new date. The Compliance Plan shall be signed under attestation.
- iii) LAWA's Chief Executive Officer or his/her designee shall review the Operator's Compliance Plan and justification to determine its acceptability and authorize approval or disapproval.
- iv) Covered Vehicle Operators shall have 30 days to seek review of LAWA's rejection of a Compliance Plan or any parts thereof by LAWA's Chief Executive Officer or his/her designee.

D. Default. Three or more instances of non-compliance with the LAX Alternative Fuel Vehicle Requirement as defined in subsection VII.A above within two years shall be considered a default of the applicable LAX permit, license, contract, lease, Non-Exclusive License Agreement (NELA), concessionaire agreement, and/or Certified Service Provider (CSP) Program. LAWA's Chief Executive Officer or his/her designee may, pursuant to the applicable terms provided therein, suspend or cancel a permit, license, contract, lease, NELA, concessionaire agreement or certified provider certification of non-compliant Covered Vehicle Operators who are not in compliance with this Alternative Fuel Vehicle Requirement. In addition, LAWA's Chief Executive Officer or his/her designee may seek to recoup LAWA's administrative costs from non-compliant operators.
