Summary: The Board of the Studio City Neighborhood Council (SCNC) supports Council File 23-0104, to establish a Small Housing Provider Assistance Program to provide payment directly to housing providers who incurred debt due to rental arrears during the course of the pandemic, and report on program parameter recommendations. The fund would provide rental debt assistance for the small and local housing providers in this City who otherwise may never recover lost rental income, could resort to selling property to corporations, or may lose property to foreclosures for their own unpaid mortgages.
