

PUBLIC WORKS COMMITTEE REPORT relative to options for consideration to amend Los Angeles Municipal Code (LAMC) Section 62.06, relating to the establishment of the Street Damage Restoration Fee, in an effort to modify the need to repave an entire block when repaving within the first year after a street cut.

Recommendation for Council action, pursuant to Motion (Lee - Hernandez, McOsker):

REQUEST the Bureau of Street Services in consultation with the Bureau of Engineering, to report to the Public Works Committee with options for consideration to amend LAMC Section 62.06 in an effort to modify the need to repave an entire block when repaving within the first year after a street cut and replace it with a requirement that will address the concerns stated above; ultimately resulting in a more environmentally friendly, fiscally responsible, safer requirement that would still provide for a sound street repair that will not materially shorten the life of the overall street.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: Yes

For:  
Westside Neighborhood Council

SUMMARY

At the meeting held on March 8, 2023, your Public Works Committee considered a Motion (Lee - Hernandez, McOsker) relative to options for consideration to amend Los Angeles Municipal Code Section 62.06, relating to the establishment of the Street Damage Restoration Fee (SDRF), in an effort to modify the need to repave an entire block when repaving within the first year after a street cut.

After an opportunity for public comment was held, the Committee moved to approve the recommendation contained in the Motion, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

PUBLIC WORKS COMMITTEE
