RE: CF 23-0144: Storm Drain Infrastructure/Damage and Repairs/Climate Change

Empowerment Congress West Area NDC (ECWA) supports council file CF 23-0144 which instructs the Bureau of Engineering and the Bureau of Sanitation to report on the condition and status of the City's storm drain system and to include recommendations and cost estimates to conduct necessary repairs to any damaged storm drain infrastructure throughout the City and prioritize repairs based on storm drain performance in the recent storms in January 2023.

In Solidarity,

Empowerment Congress West Area Neighborhood Development Council (ECWA)
