Summary: On March 8, 2023, the Porter Ranch Neighborhood Council voted 6-1 in support of CF# 23-0154 regarding gate closures at some of our City parks. The Porter Ranch Community has been experiencing problems with crime and other issues due to unlocked gates throughout the evening at Aliso Canyon Park (18041 Rinaldi St.) Holleigh-Bernson Memorial Park (20500 Sesnon Blvd) and the soon to be completed 50 Acre Park (11900 Mason Ave.). The parks are completely gated but we've been told at previous board meetings that staff was not available to lock the gates at closing time. We would like to support this motion to determine what needs to be done to get the Park Gate Closure Program under SECSO funded and staffed to a level that would allow gates to be closed on a nightly basis. As part of the report back, it would be helpful to see a list of eligible parks by council district as well as data on which, if any parks are currently being serviced.
