Summary: At a regular public meeting on April 11, 2023, the Board of Directors of the Downtown Los Angeles Neighborhood Council (“DLANC”) voted to submit this Community Impact Statement in support if amended of CF 23-0248 - Vacant Building Abatement (VBA) / Public Nuisance / Demolition / Building Inspections / Expedited Process. DLANC supports the premise of this motion but would like LADBS, LAFD, DCP, and the Office of Historic Resources to analyze potential impacts on buildings that may or may not be eligible as character-defining structures within the community. We request departments work towards alternatives to demolition whenever possible.
