Dear City Clerk,

There was no letter of determination provided for QuickStop Liquor Market because we will be using a previously given letter of determination and C.U.P to the previous tenant (7 Eleven). We will operate as a convenience market just as 7 Eleven did and intend to follow every condition set forth by this C.U.P. Considering that a C.U.P is granted to the land and has no expiration date we would like to continue the use of this C.U.P.

Sincerely,

Xavier Ochoa
