Subject: Intent to apply for Promoting Resilient Operations for Transformative, Efficient, And Cost-Saving Transportation Program Discretionary Grant Funds

In accordance with Los Angeles Administrative Code Section 14.1 et al, more commonly known as the Grants Ordinance, Los Angeles World Airports hereby encloses a draft grant application for Promoting Resilient Operations for Transformative, Efficient, And Cost-Saving Transportation (PROTECT) Program grant funds under Federal Funding Opportunity Number 693JJ323NF00013. The current closing date for applications is August 18, 2023.

Our PROTECT grant application seeks discretionary funding in the approximate amount of \$200,000 for the development of a Landside Resiliency Plan for improvements associated with the Landside Access Modernization Project at Los Angeles International Airport. Additional information on the development of a Landside Resiliency Plan is provided in the attachment to this memo.
