A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enable by the to Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or rResolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website.Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Councils rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

Summary: The NHNENC respectfully requests that CalTrans Park n Ride lots that are not being utilized in the community also be considered given their locations within Los Angeles's jurisdiction. For example: Council District 2 (CD2) includes a Park n Ride on Oxnard Blvd near the 170 in North Hollywood. There rarely are vehicles in the lot that are not already Vehicle Dwellings or RV Dwellings. Given their locations, we believe that utilizing these types of Public Assets would be a good match for these purposes.

COMMUNITY IMPACT STATEMENT IN SUPPORT OF COUNCIL FILE 23-0914

Oversize Vehicle Parking Restrictions / Citywide Program / Homeless Dwelling / Designated Streets / Portable Toilets / Septic Tank Waste Disposal / Housing Navigation / Services

December 13, 2023

On August 29, 2023 the City Council had a motion referred to the Housing & Homelessness Committee & Transportation Committee ([CF 23-0914](#)). The North Hollywood North East Neighborhood Council (NHNENC) fully supports the motion.

We especially support that *“the City should leverage every public asset within its jurisdiction, leaving no stone unturned. This includes our public rights of way, where a program, with proper restrictions, could provide centralized locations for RVs to park and access services.”* Our understanding is that a Public Right of Way is typically a strip of land 50 to 60 feet wide that contains the public street, sidewalks, and utilities. We support finding locations that are outside of our residential areas, commercial corridors and other sensitive uses spaces.

The NHNENC respectfully requests that CalTrans Park n Ride lots that are not being utilized in the community also be considered given their locations within Los Angeles’s jurisdiction. For example: Council District 2 (CD2) includes a Park n Ride on Oxnard Blvd near the 170 in North Hollywood. There rarely are vehicles in the lot that are not already Vehicle Dwellings or RV Dwellings. Given their locations, we believe that utilizing these types of Public Assets would be a good match for these purposes.
