

PUBLIC SAFETY COMMITTEE REPORT relative to the Fiscal Year (FY) 2022-23 Los Angeles Fire Department (LAFD) Special Training Fund 40J Annual Report.

Recommendation for Council action:

APPROVE the Board of Fire Commissioners report dated September 5, 2023, attached to the Council file, relative to the FY 2022-23 LAFD Special Training Fund 40J Annual Report.

Fiscal Impact Statement: The Board reports that the fiscal impact of the State's annual training reimbursement to the LAFD is critical due to the cost of recurrent training fees that rise significantly each year, in addition to the expansion of LAFD training programs. If the Vocational Education Training funding was interrupted, numerous mandatory certifications and re-certifications could not occur within the LAFD budget and would need to be absorbed by the General Fund.

Community Impact Statement: None submitted
