A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

Summary: Friday, November 17th, 2023 Los Angeles City Councilmember Nithya Raman Los Angeles City Councilmember Hugo Soto-Martinez Los Angeles City Hall 200 N. Spring Street Los Angeles, California 90012 RE: Council File #23-1114 Dear Councilmembers Raman and Soto-Martinez: The Hollywood Hills West Neighborhood Council is one of the certified Neighborhood Councils in the City of Los Angeles. At a regularly scheduled "in person" Board meeting on Wednesday, November 15th, 2023, the board voted unanimously (16 – 0) to support the following motion in support of Senate Bill 411: In accordance with Senator Anthony Portantino's successful SB 411, the approval signature of California Governor Newsom, the unanimous vote of approval of the City Council's resolution – Council File #23-1114 – the HHWNC Board of Directors supports and approves allowing Neighborhood Council Boards and Committees to meet virtually. This option will

encourage and increase additional overall public and board participation due to easier accessibility for those who may be restricted to stay home, prohibited by excessive traffic issues and/or required health and safety protections, etc., making it more difficult for in person participation. Respectfully submitted on behalf of the Hollywood Hills West Neighborhood Council. Very truly yours, Anastasia Mann, President Hollywood Hills West Neighborhood Council Distribution: Senator Anthony Portantino senator.portantino@senate.ca.gov Deputy Declan Floyd declan.floyd@senate.ca.gov Thomas Soong thomas.soong@lacity.org Councilmember Nithya Raman councilmember.Raman@lacity.org Councilmember Hugo Soto-Martinez councilmember.soto-martinez@lacity.org Dina Andrews dina.andrews@lacity.org Stuart Ross vicepresident@hhwnc.org
