

MOTION

TRADE, TRAVEL AND TOURISM

I MOVE that the City Council request the City Attorney to prepare and present an ordinance to amend the current street vending ordinance to ensure that it is compliant with state law.

I FURTHER MOVE that the City Council instruct the Chief Legislative Analyst (CLA) and City Administrative Officer (CAO) to work with the City Attorney's Office and Council Offices to develop objective criteria, compliant with state law, for limited street vending zones.

I FURTHER MOVE that the City Council instruct the CLA and CAO, in collaboration with the City Attorney, Council District 13, Council District 4, street vendors, street vending organizations, and community stakeholders, to create a process for a pilot "Special Vending Zone" for Hollywood Boulevard, the Hollywood Bowl and the surrounding area.

I FURTHER MOVE that the City Council instruct the CLA and CAO to use the lessons learned from creating the pilot "Special Vending Zone" for Hollywood Boulevard and the Hollywood Bowl to develop a citywide framework for creation of special vending zones.
