Whereas Neighborhood councils are the boots on the ground for Los Angeles city government and are often the first place stakeholders turn when having issues.

Whereas Neighborhood Councils' service to the City and our communities is on a volunteer basis, and Neighborhood Council Board Members are elected to represent Los Angeles' diverse communities.

Whereas the Neighborhood Council System was established to give Angelenos a clearer path to have their voices heard in City Government.

Whereas the Neighborhood Councils are advisory bodies to the Mayor and City Council.

Whereas the seven Commissioners on the Board of Neighborhood Commissioners represent the seven diverse geographic areas of the Neighborhood Council System.

Whereas the Board of Neighborhood Commissioners makes and oversees policies on behalf of the Neighborhood Council System.

Therefore, the Rampart Village Neighborhood Council requests that all elected officials in the City of Los Angeles, when making appointments to the Board of Neighborhood Commissioners, follow a formal feedback process wherein the Neighborhood Councils can provide input on who represents the Neighborhood Council System and their stakeholders, with special consideration given to the feedback from the Neighborhood Councils and Alliances from the region for which the elected official is appointing the nominee. Furthermore, the Rampart Village Neighborhood Council also formally request that the current nominee be withdrawn until such time as the Neighborhood Councils have been afforded an ample opportunity to provide this feedback.
