

TO CITY CLERK FOR PLACEMENT ON NEXT
REGULAR COUNCIL AGENDA TO BE POSTED

#51

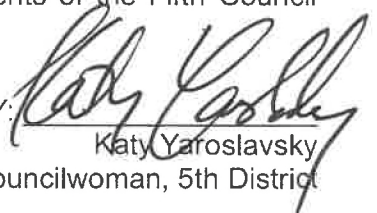

MOTION

Since the expiration of COVID-19 emergency renter protections in February 2023, the Fifth Council District has seen some of the highest totals of "Notices to Quit," which can presage an eviction, of anywhere in the City of Los Angeles. In just the last 3 months, 1,800 such notices have gone out to tenants in the district, overwhelmingly as a result of non-payment of rent.

While the Measure ULA Emergency Rental Assistance Program and the work of the Mayor's Fund have provided much-needed support systems to renters, there remains a substantial need in the Fifth District for additional funding to prevent more tenants from falling into homelessness.

I THEREFORE MOVE that \$50,000 in the General City Purposes Fund No. 100/56, Account No. 000903, Council Community Projects (CD5 Homeless Housing Interventions) be allocated to the Jewish Free Loan Association, to be utilized for the purpose of personal loans and grants associated with rental assistance and housing-related costs for residents of the Fifth Council District.
