

MOTION

On Sunday, September 15, 2024, CicLAvia will hold its 55th Los Angeles Open Streets event, CicLAmini, in Lincoln Heights. The pedestrian-oriented event will close a segment of Broadway, between North Avenue 18 and Lincoln Park Avenue, to vehicular traffic to encourage jogging, walking, riding, skating, and biking.

The street closure necessary for the event will affect surrounding businesses and residents who have limited parking. There are several nearby City-owned and operated lots near the route that can accommodate overnight parking. Alternative parking locations should be provided to accommodate local businesses and residents, as this event will require neighbors to remove their vehicles from Broadway for a full street closure.

I THEREFORE MOVE that Council AUTHORIZE the Department of Transportation to waive/suspend enforcement of parking meter fees and allow overnight parking from 6:00 p.m. Saturday, September 14, 2024 to 5:00 p.m. Sunday, September 15, 2024 at the following City-owned lots to provide parking for local businesses and residents affected by the street closure for the CicLAmini Lincoln Heights event:

- Lot 657 (221 South Avenue 22)
- Lot 659 (2334 Daly Street)
- Lot 660 (154 South Avenue 24)
- Lot 697 (2332 Workman Street)

I FURTHER MOVE that should the date of the event change due to unforeseen circumstances; the aforementioned departmental instructions will apply.
