Subject: Karen Bass Cut To Animal Shelters

To: <CityClerk@lacity.org>

Karen Bass,

I am writing you as a concerned LA resident. Firstly, you should have stepped down after the fires because you cut the fire department and you traveled out of the Country. You promised during your campaign that IF elected you would not travel out of the Country. You knew the winds were coming. People have lost their homes and suffered on your account and a recall is still going on and I hope it happens. You are not a person of your word and you mismanaged Los Angeles. Now you want to cut the animal shelters? The poor animals are already suffering and that can't happen. Cut the funds and benefits going to all the illegals instead of the fire department or the animal shelters! You and the governor have ruined California and you both should step away or get recalled. SAVE THE ANIMALS! you already caused so much heartache to so many people in Los Angeles!
