Hello,

I am a concerned citizen writing to inform you of my disapproval of your plans to close 3 animal shelters in LA!

Please reconsider this cruel, heartless plan which will displace many adoptable dogs and possibly endanger their lives.

These animals have no choice or voice in this matter and all they can do is be forced to face the consequences of your actions.

Think about it: where will the animals go? Who will take care of them? How many will die?

We are spreading the word via word-of-mouth and social media, and soon no one will want to vacation in LA in protest of your heartless decisions unless you change your plans immediately.

LA's reputation will be damaged and traveling to LA will be shunned. Tourism will fall. The news that LA intends to endanger innocent dogs will spread like wildfire.

I implore you, please reconsider the fate of the dogs in these animal shelters you seek to close. The dogs are all depending on you to protect them.

Thank you.
